

SUNDAY 8TH OCTOBER 2023

Sibelco Templer Ten

Hoping for some sunshine!

This year see's a change of date; we've brought the race forward a month in the hope that we have better weather than the monsoon conditions that we experienced last November! Although that didn't seem to deter Axe Valley Runners. They cleaned up, coming 1st, 2nd and 3rd in the men's race, 2nd in the ladies race and they won five age category awards - a pretty good day at the office!

We will be once again staging a 1-mile fun run within the grounds of the school, which is completely traffic free. There's plenty of prizes on offer for the various age categories. If you enter your kids online beforehand, you'll save yourself £1.50, as it will be a £5 if you enter on the day.

Start times

The main race starts at 11am.

The fun run starts at 10:15am

Stover School
postcode;
TQ12 6QG

There is plenty of free onsite parking

Please note that **dogs are not allowed** in the school grounds

As with all our Trotter races, we have a strict policy of **no headphones**. If you're caught wearing them, we will disqualify you!

Facilities:

Bag store: Baggage can be left in the Jubilee Hall, which is the main Race HQ.

Toilets, changing & showers: There are plenty of toilets throughout the building, as well as separate male and female changing/shower rooms. These will be clearly signed.

Food (cash please): The Trotters are renowned for their amazing cakes, of which there will be plenty to choose from, as well as teas and coffees. We will also have a BBQ, selling burgers, hot dogs and bacon baps. Suffice to say, you won't go hungry!

Race Safety: The route outside the school grounds is mainly on trails with some short sections on local lanes. The course will be clearly marked with arrows and tape, as well as plenty of marshals to ensure you don't take a wrong turn.

There are three drink stations on the course. We will be using recyclable cups.

There may well be livestock in some of the fields you run through.

Please do not leave any litter on the course. We want to keep the landowners happy, who will then hopefully allow us back next year.

Please respect others on the course, remember you don't have priority in public areas. The section around Stover park will be busy, especially if it's a nice day.

Sponsors: Our thanks to our main race sponsor, Sibelco and to South Moor Vets, Foxy Golf and Classic Windows.

Final word from Roger Hayes (the RD)

Thank you for entering the race, your support is vital to help ensure races like these, organised by runners for runners, continue to take place. However, at the time of writing (2nd Oct) we still have 100 spaces available. Please tell your club mates/running buddies all about the race. With your help and a final social media push, we might just be able to reach our 300 race limit.

This is our final Trotter race of the year. We go again in June, when we'll be staging our Dartmoor Discovery Ultra Marathon (entries open on November 1st).

Good luck and I hope you enjoy our Sibelco Templer Ten race.
