The Course

This popular, well established, moorland race starts below Haytor Rock and follows a hilly, single lap route before returning once again to Haytor Rock with a fast downhill scamper to the finish opposite the middle car park at Haytor.

The course is approximately 6 miles and is challenging, with several steep ascents and descents and is generally run across rugged, open moorland, apart from two sections through woodland; firstly, below Hound Tor and secondly below Haytor and includes a stream crossing. The course is completely off-road, passing through private land.

NOTE: Please follow the marshal's instructions and any markers at all times. Please don't leave litter anywhere on the course.

We'd like to say a **BIG** thank you to our sponsors Sibelco, Francis Clark and Ocean Physio and Rehab. Without the help of our sponsors, the event wouldn't be such a success.

Race brief....

Please adhere to the Country Code and note that dogs will not be allowed to accompany runners, nor likewise will any following cyclists.

Please keep to existing tracks over Black Hill.

Where the course is marked (from Becka Brook up to Holwell Tor), please keep to the track. The course will be marshalled by experienced marshals — please follow their instruction. This event is not suitable for wheelchairs, prams or pushchairs.

Drinks will be available at Hound Tor (approx. 4 miles) and at the finish. First aid cover is provided by Devon First Aid. You're in safe hands!

Please be aware that the use of all types of headphones is not permitted; any-one found wearing them will be disqualified from the race.

There is a cut-off time of one hour at Hound Tor. If you fail to make the cut off time you will be politely asked to withdraw from the race. A marshal will remove your race number and a lift back to the finish will be provided.

There will be a memento for each finisher which will need to be collected from Race HQ.

When you finish, please remember to check yourself for ticks; those nasty little blighters have a way of sneaking up on you without you knowing it!

Photos will be available to download for free from our Trotters Race Page on Face-book.

Please Note: Your race number must not be folded, cut or mutilated. If you've entered the race but, for whatever reason, you're unable to run, we do allow transfers. We will be accepting number transfers on the day; please note there will be an administrative charge of £3 per transfer. Please come to Race HQ from 3.30pm on the day to complete the transfer form and pay the transfer fee.

Don't forget to join our Haytor Heller Facebook group! As the race gets closer, we'll post any updated information and pictures.

Prize giving will take place at the Race HQ at 6.45pm in the following categories:

1st, 2nd & 3rd Male overall;

1st, 2nd & 3rd Female overall;

Why not treat yourself to some Haytor Heller Merchandise?

Again this year we'll be selling technical t-shirts and hoodies at Race HQ. The t-shirts are £10 each and come in small, medium and large sizes:

The hoodies are £25 each and also come in small, medium and large sizes.

We also have Haytor Heller snoods & shoe bags for £5. There'll be limited stock; once they're gone; they're gone!

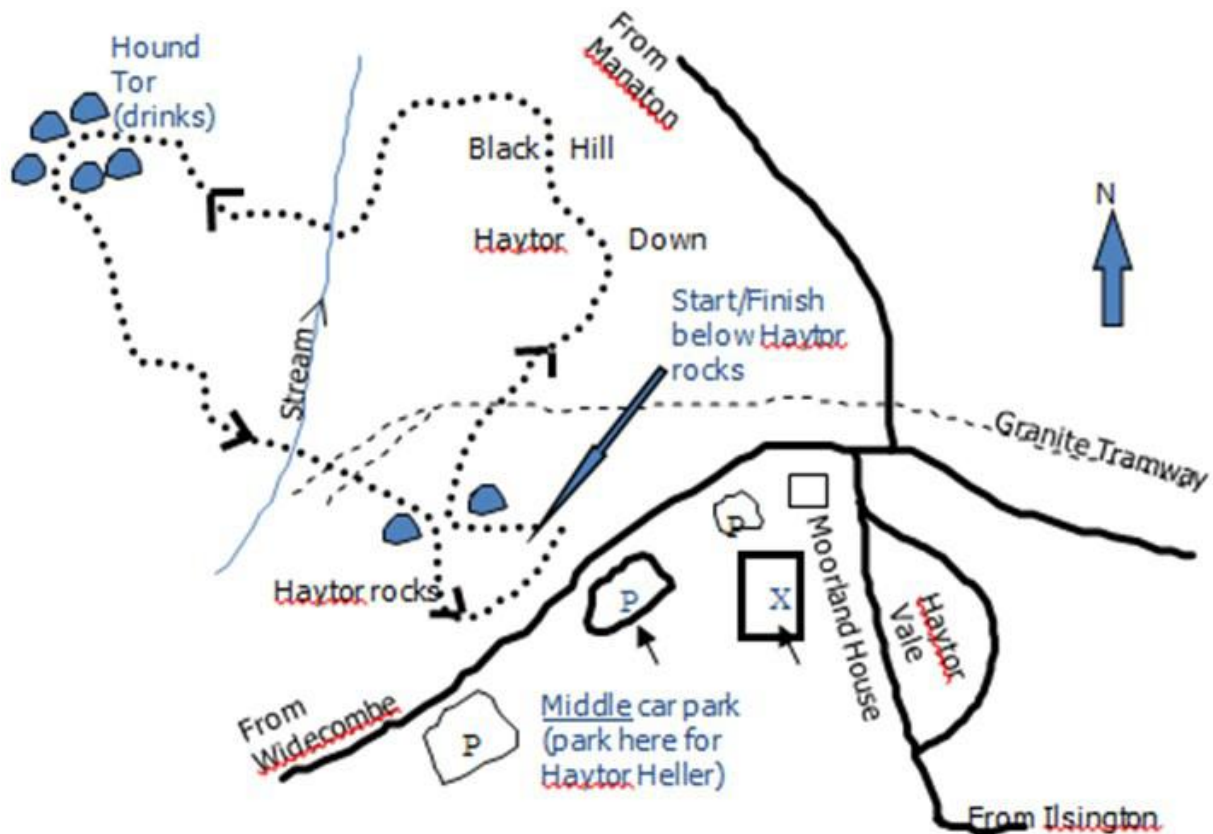

Although we can take

card payments, please bring cash as the signal on Dartmoor is not always reliable!

How to get there...

From A38: Take A382 north off A38 at Drumbridges roundabout (signed Bovey Tracey). Go straight over first roundabout. At second roundabout turn left onto B3387 (signed Haytor). After half a mile, turn left (signed Haytor) and continue up hill (3 miles) to middle (2nd) car park below Haytor Rocks.

When you get there...

Please park at the middle car park, Haytor which is adjacent to the start/finish; there'll be marshals at the car park to direct you. Dartmoor National Park has asked that we do not park at the lower car park by the Visitor Centre—there will be marshals there directing you to the middle and upper car parks. Parking after 6.00pm is free; the following **RINGO code 57409 can be used up to 6.00pm (now the same code for all of the Haytor car parks)**

Race HQ is once again in the Coach Park behind the Visitors Centre in the lower car park; the pedestrian entrance is via the lower car park. There are toilets there.

After, the race come along and enjoy tea and coffee and our famous Trotter Cakes. We may not be able to do our usual barbeque this year due to the dry conditions, but we will if Dartmoor National Park allow it. All can be found at Race HQ.

See you at the Heller!

And finally, don't miss the last Teignbridge Trotters race of the year....
