

SUNDAY 4TH OCTOBER 2026

Sibelco Templer Ten

Road closure!

Due to the ongoing roadworks on the A382, the only way to access Stover School is via the Drumbridges and Trago Mills roundabouts. Please see the attached map for further details.

Having run the course this morning I can report that underfoot conditions are very firm, there wasn't a bit of mud to be seen! Unless we get a few downpours between now and race day, you'll be fine in your road shoes.

We will be once again staging a 1-mile fun run within the grounds of the school, which is completely traffic free. If you enter your kids online beforehand you'll save yourself £1.50 as it will be £5 if you enter on the day.

Start times

The main race starts at 11am.

The fun run starts at 10:15am

Stover School
postcode;
TQ12 6QG

There is plenty of
free onsite parking

Please note that
dogs are not
allowed in the
school grounds

As with all our
Trotter races, we
have a strict policy
of **no headphones**.
If you're caught
wearing them, we
will disqualify you!

Bag store: Baggage can be left in the Jubilee Hall, which is the main Race HQ. Please note that it's left at the owners risk.

Toilets, changing & showers: There are plenty of toilets throughout the building, as well as separate male and female changing/shower rooms. These will be clearly signed.

Food (cash please): The Trotters are renowned for their amazing cakes, of which there will be a wide selection to choose from, as well as teas and coffees. We will also have a BBQ selling hot dogs and burgers. Suffice to say you won't go hungry!

Race Safety: The route outside the school grounds is mainly on trails with some short sections on local lanes. The course will be clearly marked with arrows and tape as well as plenty of marshals to ensure you don't take a wrong turn.

There are two drink stations on the course. We will be using recyclable cups. Please do not leave any litter on the course.

Please respect others on the course. Remember you don't have priority in public areas. The section around Stover Park will be busy, especially if it's a nice day.

Race cut off: If you fail to make the 5-mile cut off point in 70 minutes you will be asked to withdraw from the race and give your race number to the marshal. A lift back to the finish will be provided.

Sponsors: Our thanks to our main race sponsor, Sibelco, as well as Francis Clark, Foxy Golf and Crockers Trophies from Teignmouth.

Final word from Roger Hayes (the RD)

This is my fourth year in the hot seat and I'm delighted to say the race has sold out for the first time since becoming RD. A massive thank you to you for making that happen.

This years chosen charity is Rowcroft Hospice. We hope to be able to present them with a sizeable donation.

This is our final Trotter race of the year. We go again in June, when we'll be staging our Dartmoor Discovery Ultra Marathon (entries open on November 1st).

Good luck and I hope you enjoy our Sibelco Templer Ten race.
