

# Trotter Newsletter

11th April 2024

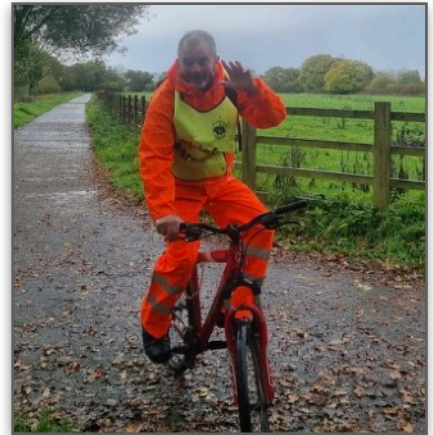

Sadly no one has come forward to take on the role of editor of the Trotter magazine, therefore I'm going to try something a bit different with my newsletters until we manage to fill the vacant role. This isn't a replacement for it, there won't be race reports and the like. It's just going to be a sexed up version of what I've been sending out to members for a number of years.

## Dartmoor Discovery ~ Saturday 8th June

Nigel Barnett (opposite) is the chief marshal and is looking for six more marshals to complete his team. It's the club's biggest undertaking of the year, and basically requires all hands on deck.

Massive thanks to all those who have kindly offered to help.

Please contact Nige; [nigel.barnett@hotmail.co.uk](mailto:nigel.barnett@hotmail.co.uk)

## No more reflective bibs till 2nd September.

Thanks to the three Trotters who responded to the call to become leaders. We look forward to seeing you in action.

Jason Trevenen ~ Neil Tampkins ~ Andrew Gunatilleke

Our January start up group have now completed their 12 week course. What a great success it's been.

11 of them have now joined the club!

Welcome one and all.

L to R: Beth Hughes, Ryan Ellis, Clare Johnson, Abbie Barnett, Richard Palmer.

## London qualifying times tighten further!

Can't get into London or fancy a change, then next years Trotter foreign marathon could be just what you're looking for!

The **Copenhagen Marathon** takes place in early May and attracts 10,000 runners (the date has yet to be confirmed for 2025).

There are currently four flights a week with easyjet and three with Ryanair all departing from Bristol airport. So there's likely to be great choice of flights available.

I'm currently looking into hotels and will keep you updated.
